**August 3rd – August 6th 2017**

**10.30am – 5.00pm**

Sussex Guild members, together with a few selected guest exhibitors, will display their work in the Elizabethan Great Barn and in marquees on the lawns. This event is special because there will

be craft demonstrations, including a blacksmith at his forge, woodturning, embroidery, quilting and enamelling together with several potters showing different aspects of their craft. There is also the opportunity to have a go at throwing a pot on the potter's wheel!

[Michelham Priory](#) has England's longest medieval moat surrounding seven acres of beautiful grounds, including the kitchen garden, medieval herb garden, working watermill, replica Bronze Age roundhouse and children's play area. There is also a new interactive gallery in the gatehouse. Find out more about the Augustinian Priory when you visit the historic house with its Tudor kitchen. There is free parking, shop, café and picnic area.

Why not combine a visit to the past with our Contemporary Craft Show where you can meet and see our designer makers in action? It will be a great day out and you may find something special to take home, too!
